

Poder - BGG Jury Awards Green Forum

1) Leadership -

A region of Candillo;

Leadership is the capacity to lead building or strengthening institutions.

History of mankind is institutional building, either in soft sciences - Universities, Religion Churches, or the Democracies through Parliament, Judiciary etc.

2) Chile long standing tradition.

This is a reference to 15 million

3) Constitutional Amendments

↳ Institutions to tackle issues of Human Rights

→ Institutions to guarantee education, health to every body

4) Institutions of innovation & development
 Cultural progress. - Music etc
 More than a Ministry;
 How the acts...

5) Shengelt University.
 To research 2 principles

- 1) Freedom to establish VES.
- 2) Scientific quality...

6) Institutions to make possible access of
 the private sector to building
 an innovative infrastructure in
 highways,

7) Digital Agenda; e-government &
 Chile Compra. etc...

⑧ In today Forum, the Green Forum,
 Institution at the National level.
 but now because globalize
 the are Planetary Problem;
 We do not have "institutions" to
 handle global problems.

- Uncertainty +
- New Coalitions.
