Democracy, equity + growth

Lozano Long Lecture

Seminars

- ① Big Honor - Timely debate.
- ② What Chile has accomplished is 15m/16 people responsible; proud of our achievements. ^{What left has done right??}
- ③ Where left + right ~~was~~ were first used??

French Revolution.

- ① Left = idea of change, ^{XIX Century. Tension between liberty + equality.}
- ② Left = more power to the people.

3 major issues: ③ Left = more power to the citizen.

Consumer vs citizen Right = Market in capitalism.

② Need to force historical events that has to be faced H-Rights violations

- Friedrich Hayek: Market will harmonize antagonistic sectors with different economic interest.
- The pursuit of equality may end up in more inequality.
- Hayek: even equality of opportunities is an illusionary ideal. It may end up with individual liberties.

③ At the world level, there are global rules. Make a sustainable world by human rights

~~These debate was~~

④ ~~Role of the State: Left: Left + the State.~~

~~⑤ Citizen vs Consumer.~~

Rawls: A Theory of Justice

⑤ Left will say Yes Market Economy; no Market Society.

2748 01

Consumer vs citizen.

Public goods: defined by the citizen.

⑥ Social Justice = LEFT.

Left and the World

(2)

Latin America is not different.

80's Dictatorship, end
90. Democracy restored.

Neoliberalism + Wash. Consensus.

The Case of Chile. page (11)

- ① Broad Coalition From Political Transition to Permanent Coalition.
Politics is so important. -
NO to Pinochet;
- ② Explanation Growth. - French-Davis.
7% per capita 4% vs 1.1% L. Amer.
Poverty.
- ③ Public Social Policies.
Education: Quality is quantity,
12 years compulsory,
Full day attendance
Positive Discrimination in resources
Higher Education
Pre-basic school.
Health: Infrastructure
Primary health care 90%
AUGE.
Judiciary ← Criminal procedure
Labor legislation
Family legislation - Ley d. Divorcio
Infrastructure → Social infrastructure
Housing. The end of campamentos
War on Poverty Need to use different tools

④ Politics + human rights -

Ayala : Truth + Reconciliator

Frei Dialogue

There is no tomorrow without yesterday
In order not to live it a fair, never more to deny it.

⑤ Chile and the World.

- Chilean growth: Exports.
Small country.
- Globalization is here to stay.
- Free Trade Agreements: 70% our trade.
- Rules; Multilateral institutions.
- No to Iraq outside Sec. Council
yes to Haiti.

Final words

Financial crisis increased inequality in 75-82 + 98.

Exports are important but domestic economy is now important
Corea, Malaysia etc

* Rate of interest should see the domestic economy + not
international financial markets. Tarea para el B.
Central.

* Structural surplus very useful.

Too cheap dollars are destroying our domestic sector.

Evelyn Huber

Una foto continua hacia la piedra.
Eso es Chile.

* Baja participación femenina en profesiones y pocas
presarias schools, ??

Achert, omittas, + failures...

Thanks for Vic Provoost for
interested affairs.
